Stuart is a resources sector specialist advising on all aspects of exploration, development and mining, including acquisitions and disposals, earn-in agreements, joint ventures, off-take agreements, procurement, mining services agreements, royalty arrangements, project approvals and land access matters.

Stuart has extensive experience in Australia, Asia, and North and South America. Stuart was based in Beijing, China for a number of years as a partner in a leading international law firm.

Stuart's recent experience includes:

- Evolution Mining on its earn-in joint venture with Musgrave Minerals Limited (ASX: MGV) over the Cue Project in the Murchison Province in Western Australia and an earn-in with Basin Gold Pty Ltd over the Crush Creek project near Collinsville, Queensland.
- Hexagon Resources on its joint venture with Mineral Resources for Hexagon's McIntosh Graphite Project in Western Australia.
- Shandong Tianye Gold on the acquisition of the Southern Cross Gold Project from Hanking Mining for A\$330M.
- Australian Mines on the acquisition and development of the Sconi cobalt-nickel project in Queensland and the Flemington project in New South Wales.
- Evolution Mining on the acquisition of the Connors Arc exploration project in Queensland.
- AIC Mines Limited on its investment of up to A\$10.5M in aggregate to acquire up to a 65% interest in the Lamil Gold-Copper Project in the Paterson Province in the northwest of Western Australia.
- Norwest Minerals Limited on its acquisition of the Bulgera Gold Project in Western Australia from Accelerate Resources Limited.
- Altura Mining on the development of the Pilgangoora lithium project in Western Australia, including its A\$110M project financing, procurement contracts and off-take arrangements.
- Ramelius Resources on the acquisition of the Marda Gold Project in Western Australia by deed of company arrangement.
- Minjar Gold on the acquisition of the Pajingo Gold Project in Queensland, and the divestment of the Kirkalocka Gold Project in Western Australia.
- Silver Lake Resources on its farm-out and joint venture agreement with ACH Global relating to the Great Southern Project.
- Resolute Mining on its underground contract with the Byrnes Offshore group for the Syama Gold Mine in Mali.
- Altura Mining on the development of the Mt Webber iron ore project with Atlas Iron, including the negotiation of production joint venture documentation, and mining, ore sale, financing and transportation arrangements to permit a decision to mine.
