

**CORPORATE / RESOURCES  
JUNIOR LAWYERS & LAW GRADUATE POSITIONS**

Allion Partners is a boutique legal firm delivering high quality, commercially focussed advice to our clients.

We have a reputation for providing highly valued, specialised and objective legal opinion and advice.

All of our partners have backgrounds working in major firms and bring an enviable breadth of knowledge and commercial experience both to our clients and the lawyers who work with them.

**The Positions**

We currently have a number of positions available for junior lawyers and law graduates.

The successful candidates will be involved in advising publicly listed and private Australian clients at all stages of their development lifecycle. This will include assisting on:

- Initial public offerings and capital raising
- Mergers and acquisitions (including takeovers and schemes of arrangement)
- Advice on ASX and Corporations Act issues
- Joint venture agreements
- Mining and project development agreements
- Advice on issues concerning the Mining Act

You will work very closely with our partners in delivering these services to our clients, which in turn will allow you to accelerate your learning and gain a level of commerciality relatively early in your legal career.

**Requirements**

Minimum requirements/attributes are:

- completed law degree or completing in 2021 with the ability to commence soon or no later than early 2022
- good academic record
- strong organisation skills
- keenness and an ability to learn quickly
- a keen eye for detail
- based in Western Australia

Candidates will ideally have a demonstrated interest in working in the corporate and/or mining law and a desire to develop their career further in these areas.

Interest parties should address each of the above points in their application.

Applications are to be received by no later than close of business on Friday 1 October 2021.
